

REQUEST FOR SOFT COPIES OF MFBs' JANUARY TO MAY, 2010 MONTHLY RETURNS

We refer to our recent letter to you dated June 3, 2010 in respect of the above subject.

We have been receiving complaints from some microfinance banks (MFBs) about their difficulties in downloading the new returns master file from our website, which you are to use to forward soft copies of your monthly returns from January to May 2010 to the e-mail address ofid-mfb@cbn.gov.ng

Furthermore, most MFBs are still forwarding their returns using the old format which have been discontinued.

Consequently, you are required to download the revised returns master file via the link:

[Click here to download template](#)

Please use this downloaded excel file to resend all your returns from January to May 2010. (Note that this information is for all MFBs irrespective of earlier submission using the revised **excel** master file).

You are required to henceforth continue to forward the soft copies of your monthly returns as and when due to the Central Bank of Nigeria in addition to the hard copy.

Signed.

O. A. Fabamwo
