

### **CENTRAL BANK OF NIGERIA**

# ADVERTORIAL 18/08/2009

Following the recent regulatory action of the Central Bank of Nigeria on the five (5) banks, it has become necessary to use this medium to request the following defaulting customers of the affected banks to pay without further delay their indebtedness, failing which the banks will take all appropriate legal actions to ensure repayment.

These are the largest debtors and the CBN will continue to publish the list of defaulters on an on-going basis.
