AMENDMENTS TO THE NEWLY ISSUED BANKING LICENCES

The CBN has seen the need to reflect the old licence numbers and previous dates of issue on all the new bank licences issued recently following the adoption of Universal Banking in Nigeria. Consequently, all banks are hereby requested to forward the original copies of the new licences to the office of the Director, Banking Supervision Department, Abuja or at the Liaison Office in Lagos, within two weeks of the date of this circular.

This is to enable the office to effect the necessary amendments.
