RE: RENDITION OF RETURNS BY BANKS OPERATING BUREAUX DE CHANGE (BDC) WINDOWS THROUGH eFASS

Further to the circular Ref: TED/AD/102/2006 dated July 11, 2006 all Authorised Dealers operating BDC windows are hereby required to commence rendition of their monthly returns via eFASS, with effect from May 2007 returns.

For the avoidance of doubt, the rendition of returns on Formats MTR315, MTR202, DTR217 and MTR305 by Banks' BDC windows are to be done electronically using eFASS, thus, bringing to an end the current practice of making returns in hard copies.

All affected Authorised Dealers are enjoined to comply accordingly, failing which appropriate sanctions, including suspension from Foreign Exchange Market shall apply.
