

CENTRAL BANK OF NIGERIA

Press Release

The attention of the Central Bank of Nigeria (CBN) has been drawn to a job recruitment advertisement titled, CENTRAL BANK OF Nigeria (CBN) RECRUITMENT 2013, posted on the website: jobsnigeria2013.com and claiming to be acting on behalf of the CBN.

We wish to warn members of the public that this website and the so-called recruitment exercise it claims to conduct, have nothing whatsoever to do with the CBN.

The CBN has its own process of conducting recruitment exercises which is always publicized on the Bank's official website: www.cbn.gov.ng

In recent times, there have been deliberate efforts by some criminal elements using the internet to tarnish the reputation of the CBN, and defraud unsuspecting members of the public.

We once more advise members of the public to beware of these unscrupulous characters and disregard these fake websites.
