

**Our harvests are
feeding the nation**

The Federal Government of Nigeria is committed to ensuring our people have access to great nutrition. That is why the CBN has developed initiatives to provide finance for agriculture as well as financial education for farmers. By making use of these initiatives, you will increase your yields and profit, and also help to feed our people and build our economy.

COME, TOGETHER WE CAN BETTER FEED NIGERIA

**To access any of the Agricultural and other initiatives,
