

**Truly Nigerian products
are growing our economy**

Nigerian companies are making their mark and our locally produced goods are contributing to the growth of our economy. That is why the Federal Government of Nigeria through the CBN has implemented initiatives to provide the needed finance to grow Nigerian businesses. Make use of these opportunities today, so together we can help build our economy.

COME, LET'S GROW OUR ECONOMY TOGETHER

**To access any of the Agricultural and other initiatives,
visit the CBN branch nearest to you.**
