**RE: GUIDELINES FOR THE OPERATION OF INTERNATIONAL  
MONEY TRANSFER SERVICES (IMTS) IN NIGERIA- *Review of  
the allowable limit***

Further to the recent guideline on the International Money transfer Services referenced TED/FEM/FPC/GEN/01/016 dated September 26, 2014, particularly Paragraph 3.6.1, Authorised Dealers and members of the General Public are hereby notified that the threshold of \$2,000.00 per transaction has been reviewed upward.

Accordingly, the allowable limit for the outbound international money transfer of \$2,000.00 per transaction has been increased to \$5,000.00 or its equivalent per transaction.

However, it is important to note that this service is only applicable to "person-to-person" transfer. For the avoidance of doubt, corporate entities are not allowed to use this product.
