This is to inform all Authorised Dealers and the General Public that the Nigeria Customs Service (NCS) has deployed an electronic auction platform tagged "NCS eAuction". The objective of the platform is to improve efficiency, transparency and revenue generation to government on seized and overtime/ abandoned cargoes.

In view of this development, all Authorised Dealers are required to integrate with the NCS eAuction platform for the recharging of eWallet and subsequent payment of the required fees for winning bids.

Please ensure compliance accordingly.
